

This is Gappashtak Feedback from Detroit.

This was Sanjay's first Show in America on 4/1/06

We have received nothing but compliments and good reviews about 'Gappashtak' from the Marathi community in Detroit. I am giving some of the comments here.

I thoroughly enjoyed the Gudi Padwa program on Saturday. "Gappashtak" was such a different experience- it was really great!! It was a wonderful idea and a great event. It was eye-opening and humorous at the same time! I was even more touched when I learned Mr. Sanjay Upadhye works for the disabled children.

Gappashtaka farach sundar !! Ajun 2 tas jari te bolale asate tari shrote tasech khurchila khilun basale asate.....

Gappashtak was great. Some members had talked about leaving earlier, but after Gappashtak started, they did not leave until end.

Gappashtak was so good and enjoyable that a lot of people said that this kind of thoroughly enjoyable program took place after a long time

Thanks again for giving us so much pleasure. Wish you best of luck for the rest of the US tour and for your future projects.

Best Regards
